

November 1, 2025

Dear Valued Patient,

We are writing to share an important update regarding your care. Beginning December 1, 2025, our physicians Robert Wai, M.D., Julia Flowers, M.D., and Sofia Lieser, M.D., will be joining the Baylor Scott & White Health Texas Provider Network in Grapevine.

We are pleased to assure you that our physicians will continue to provide the same high-quality, compassionate care you have come to trust at our new location:

Baylor Scott & White Obstetrics & Gynecology – Grapevine
1631 Lancaster Drive, Suite 370
Grapevine, TX 76051
817-912-8330

While Carrie Morris, M.D., will be transitioning to a full-time hospitalist role and no longer seeing patients in the clinic, we warmly welcome her patients to continue their care with one of our other physicians at the new location.

We understand that changes in medical care can sometimes feel challenging, and our goal is to make this transition as smooth as possible for you. If you prefer to continue your care with another provider outside of our practice, you may request a copy of your medical records to be transferred. To begin this process, please contact our office at **817-481-5863**, email **medicalrecords@obgynofntx.com**, or visit our website at **obgynofntx.com** to complete a medical records release form.

Starting January 1, 2026, ownership of your medical records will be transferred to Desert River Solutions. Patients may request copies or transfers of their records by visiting www.desertriversolutions.com/requests, emailing **requests@desertriversolutions.com**, calling **480-577-3150**, or faxing **520-214-0068**.

It has been our privilege to care for you, and we remain committed to supporting your health and well-being through this transition and beyond. We look forward to continuing to serve you at our new location.

With warm regards and best wishes for your continued health,

Robert Wai, M.D., Julia Flowers M.D. and Sofia Lieser M.D.
