Dear Patient,

I am writing to inform you that as of November 30, 2025, I will be leaving Obstetrics & Gynecology of North Texas and transitioning into a new professional role outside of private practice. This decision has not been easy, as it has been a great privilege and honor to care for you.

Although I will no longer be available at this location, your continued care is very important to us. I encourage you to remain with Obstetrics & Gynecology of North Texas, where our experienced and compassionate team is ready to support your health needs.

If you choose to continue your care elsewhere, you may request that a copy of your medical records be transferred to a provider of your choice. To initiate this process, please contact our office at 817-481-5863 or email [medicalrecords@obgynofntx.com](mailto:medicalrecords@obgynofntx.com), or visit our website, [obgynofntx.com](http://obgynofntx.com) to complete a medical records release form.

I am sincerely grateful for the trust you've placed in me and for allowing me to be part of your care. I will carry the relationships and experiences I've built here with me into this next chapter.

Wishing you continued health and well-being.

Warm regards,

Carrie P. Morris, MD
